Ceremonies

Here at Casa Hotel we are fully licensed to perform civil ceremonies and partnerships, and can offer a choice of four of our function suites for your ceremony, depending on the size of your party. We recommend contacting your local registry office on 01246 234754 to confirm availability on ceremony times on your chosen date.

Menus

We know that food brings people together, so we pay particular attention to our menus. Our talented, award winning Chefs have put together a selection of wedding packages to include some fantastic dishes. Please select one starter, one main course and one dessert from the sample menu to confirm your set menu for your wedding breakfast. Additional choices per course are available at a £1.50 supplement per person per course. Alternatively, if you prefer a more bespoke approach we also offer an extensive menu selection which gives you the freedom to create your own menu for your special day.

Our renowned barbecue buffet is cooked on the Spanish Jospier grill and provides a unique outdoor evening option for your guests, or for further options please see the full buffet menu.

Photos and travelling in style

Weddings at Casa guarantee stunning architecture inside and out, however we understand that the beautiful countryside surrounding us is also a temptation for couples who are looking for the perfect photo opportunity on their big day.

Walton Lodge, our owner's picturesque estate is just four miles from the hotel and with over 250 acres of land; it's the ideal place to visit for some more traditional photos. Please speak with your co-ordinator who will be able to advise on availability.

Why not add a touch of something different on your special day by chartering our luxury helicopter. Enjoy a flight around the countryside before landing within the stunning grounds of Walton Lodge for your photographs. Your VIP arrival will conclude with a chauffeur driven car to the hotel, where you can continue with the celebrations. We can even arrange for the helicopter to meet you at the ceremony venue*, so for the full VIP experience on your special day, contact your co-ordinator who can arrange this directly with GBL Aviation.
